

JLGold with Schedule M

Installation Instructions

Installing the disks or CD-ROM:

The media contains an Installshield script to guide you through the installation process.

To begin installation:

Insert the CD-ROM or DISK #1 into its respective drive.

From the Windows desktop:

- Left click on the [Start] button
- Select [Settings]
- Select [Control Panel]
- Select [Add/Remove Programs]
- Select [Add New Programs]

Follow the installation instructions.

Assistance with the Installation:

If you have any difficulty installing the program, please give us a call at (248) 528-0250.

IMPORTANT NOTE

You **SHOULD NOT** uninstall any previous JLGold programs. All screens have been set up for you. The only change you may need to make is the destination screen (which drive you are installing to).

TO ACCESS SCHEDULE MS OR MG, CHOOSE THE SCHEDULE FROM THE DROP DOWN BOX.
